SAXDOR 320 GTO

Discover a weekend cruiser that's truly in a class of its own. The Saxdor 320 GTO combines exceptional boat handling with surprising spaciousness for its length and class. It's not just a boat; it's a mobile beach club with cabin amenities that will redefine your leisure time on the water.

One of the standout features of the Saxdor 320 GTO is its top-of-the-line sound system by JL Audio, complete with a powerful amplifier. Whether you're cruising with friends, anchoring in serene spots, or racing across open waters, you'll be enveloped in crystal-clear, immersive tunes that elevate your boating experience to a whole new level. The rich, resonant sound will ensure that the good times keep rolling, creating unforgettable moments on the water.

Navigating and docking the Saxdor 320 GTO has never been easier, thanks to the cutting-edge docking camera. It provides you with a clear, unobstructed view of your surroundings, making even the trickiest maneuvers and tight spaces a breeze to handle. Say farewell to docking anxiety and embrace the joy of stress-free, precision handling.

Located in Northeast Sardinia, you can find the Saxdor 320 GTO for sale at Marefun. Our dedicated sales agent, Tom van der Ploeg, is poised to guide you through the exciting world of boating and help you secure the ultimate vessel for your adventures. Don't miss out on this incredible opportunity to experience the future of boating – the Saxdor 320 GTO is ready to make your aquatic dreams a reality!
