VANDUTCH 55 #39

Set sail on an extraordinary journey with the 2018 VanDutch 55, a masterpiece meticulously designed by the renowned yacht architect, Frank Mulder. This luxury yacht seamlessly marries opulence and performance for the discerning connoisseur.

What sets this boat apart from similar 55's is its impeccable maintenance by a certified crew, ensuring it remains in mint condition. The owner's unwavering commitment to high standards has kept this vessel in pristine shape. Moreover, this yacht boasts upgraded technology, featuring a JL premium sound system that envelops the boat in music and Lumishore underwater lights that transform it into a stunning spectacle when docked.

This boat is defect-free and looks just like a brand-new VanDutch 55. Its propulsion system stands out from the rest, as it's one of the very few equipped with Caterpillar engines, making it more reliable and easier to maintain. Spare parts are readily accessible when needed. When it comes to yachts of this model, this is the leader and is now available for sale at Marefun office located in Northeast Sardinia.

Don't let this opportunity sail by; make the 2018 VanDutch 55 your own – a true symbol of opulence on the high seas, masterfully crafted by the esteemed Frank Mulder. Contact us today to explore more about this magnificent vessel and set sail on your extraordinary voyage!
